

Submitter:

Robert Best

On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SJR203

This whole issue stems from Horrible inaction during Biden/ Harris years. I saw multiple videos from 2020-2024: hundreds and thousands of Illegals streaming across our southern border. Many thousands of them became violent Perps in America.

You don't care about Numerous US citizens raped & killed by evil invaders??

We need Laws, to Stop crazy Antifa warriors, wearing Masks to avoid being identified!!
