HB4018

HB 4018: I strongly oppose the -6 amendment. The process by which it was developed and introduced comes very close to repealing the contribution limits and disclosure requirements that were at the heart of HB 4024.

Although HB 4018-6 has been described as a bill to implement technical fixes to improve and strengthen HB 4024, several of the proposed changes would either undermine those reforms, fail to accomplish the bill's stated goal, or introduce new ambiguities in the law.

I urge members of the legislature to vote against this bill and instead affirm the policies adopted by Oregon citizens in the campaign finance reform bill (HB4024) that it passed 2024.
