Measure, Appointment or  
Topic: SB1599

We signed this petition not just for the notion of putting it to a vote, but to have it in the November election day.

It is insane that you politicians refused to listen to us in the first place when we said we wanted zero new taxes and jammed this bill down our throats.

Now your hubris to override the work and will of the people for you to decide on your own the date for the vote vice you "allowing" the 250,000 people who signed it to get what they demanded.
