

Submitter: Kathleen Krohn  
On Behalf Of:  
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction  
Measure, Appointment or SB5701  
Topic:

I would ask your support, as a city council member in Grants Pass, to help us continue the infrastructure development so necessary. We need to expand industrial areas and create incentive for manufacturing in order to increase our tax base. We have to stop relying on property taxes and increase our economic development with much needed infrastructure in this rural area.

Grants Pass City Councilor  
Ward 4
