Shiiq'Asquempa. Good Morning from the beautiful Oregon coast. As you know our internet connection can be spotty. I had hoped to call in to speak, instead I will submit this brief testimony in support of passing House Bill 4002. Our OLIS data system does a great job of keeping us outlyiers apprised of what's happening in the city. We know how hard you all work. Really we do. As a retired social worker and the wife of a retired policy maker hospital administrator believe me....I know there must be limits on your time. This is a well-thought-out plan for our Legislative Counsel to do the good work they are paid to do. Let's support them in keep their moral up...not burnt out. All the best. Donn and Cathy. West Coast is the Best Coast. Go Hawks!
