Senate Committee On Education

Measure, Appointment or Topic:

SB1572

My name is Monique Bochsler and I'm writing in support of SB1572.

I support SB 1572 because it is crucial that other students are not hindered in their learning due to the disruptive behavior of a single individual in the classroom. This bill empowers teachers to promptly remove students who consistently disrupt the educational environment, thereby safeguarding the ability of both the teacher and the remaining students to engage effectively in the learning process. Additionally, this measure benefits the removed student by allowing for targeted support to address their specific needs, ultimately contributing to their educational development as well.

Thank you

Monique Bochsler
