Dan Butler

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

As a native Oregonian and outdoor enthusiast, I have spent over 50 years exploring the state's forestlands and wilderness areas. I will need another 50 years to see them all. As such, I can attest that ample wild areas and late succession reserves have been set aside. Public forests were established for the public good- which means maintaining them through responsible forest management. I strongly support HB 4105.
