Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I am writing again in opposition of 1599.

We the people, 250,000 of us, signed petitions to place this on the ballot the November general election! We also deserve an unbiased statement of explanation written in the voters pamphlet. Not a statement from a committee comprised of members that actually shoved the original bill through against the obvious will of the people.

Please do not pass this bill!!: Oregon needs to that you are finally listening to us.
