Measure, Appointment or Topic:	SB1599

the voters spoke, resoundly thru the petitioning process, they want to be counted, to avert a taxing disaster, this is so unscrupulous, to deny them a say, at the earliest election possible, most are aware, businesses and people are leaving this state, due to out of hand taxation, i strongly feel , many want to try to save our great state, we know it needs to be more economically friendly, case in point, taxes have almost doubled in the last 10 years, very few have seen their wages double, and this tax, especially hits those hard on fixed incomes, the fix that must happen, start by reining in spending, not taxing more, my representatives, i plead with you, to oppose this bill, support your constituents, and they will support you
