This resolution is a blatant violation of the First Amendment to the Constitution of the United States. We have a right to free speech and it's a natural fact that "you will not agree with all the people all the time." But we still have the right to disagree with others. With the leftist "WOKE" agenda, disagreement is offensive and worthy/evidenced by violence hatred and even riots. We have seen much of this in Oregon since 2020.

This resolution is unconstitutional and WILL BE challenged in court.

Please do not vote for this travesty. We track voting records and will be tracked by Excel spreadsheet how this is voted on. The winds of change are blowing through this nation and Oregonians are waking up in droves. We are tired of ALL of this!!
