Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4105

Dear Co-Chairs Helm and Owens, Vice Chair McDonald and Members of the
Committee,

I oppose House Bill 4105. Please don't prioritize the timber industry over the great
forests Oregon has. We are in the middle of a MASS EXTINCTION event. Please
do more to keep the environment in tact.

This bill is unnecessary. The Department of Forestry regularly meets or exceeds its
timberharvest goals, often at the expense of clean water, habitat for fish and wildlife
and carbon

storage goals.

I urge you to oppose this bill.

Please don't let this bill pass out of committee.
