Under constitutional rights both US and Oregon constitutions, law-enforcement has a right to protect themselves. They also are obliged to provide their badge numbers. This is totally unnecessary and dangerous to our law-enforcement, AS WELL AS, AGAINST THE CONSTITUTION, VERY BASIC SELF PROTECTION RIGHTS. YOU WILL FIND YOURSELVES IN COURT IF YOU PASS THIS AND OF COURSE WE THE TAXPAYERS WILL PAY FOR IT SO YOU HAVE US OVER A BARREL, BUT I DON'T GIVE A FLIPPING RATS BEHIND. YOU ALSO WILL GET YOURSELVES UNELECTED.. We are tired of you, putting criminals above the safety of the citizens who pay your creeping salaries. Keep doing stupid things like this and conservatives will rule Oregon, even over the cheat. Yes, I know there is cheating in our elections.
