SJR203

My name is Aubrey Raney-Avers and I am writing in support of SJR 203. Unmarked vehicles and people wearing masks and without clothing identifiers should not be allowed to operate in our cities. I am disheartened to hear that this will be a ballot issue instead of being addressed immediately as this is a problem that is happening, without exaggeration, every day in our state. Please pass this bill and require transparency. Being a law enforcement officer, although I find that an inaccurate term for the current ICE tactics, has never been done in secret with masks, and this needs to end immediately. Thank you for your time.
