Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4001

Members of the House Committee on Judiciary,

Thank you for your service and the opportunity to testify in favor of HB 4001.

I am appalled at egregious actions of ICE and Border patrol throughout our state and our country. People are being brutally harmed, sometimes even killed, and people's rights are being denied--in Eugene, in Cottage Grove, in Portland, in other Oregon communities. ICE and other federal agents must be held accountable. We as a state must study and develop all the ways we can hold them to the law and to ethical behavior.

I support HB 4001 fervently. Please vote in favor of HB 4001.

Thank you,

Denise Jessup
