Measure, Appointment or Topic: SB1586

Chair Broadman, Vice Chair McLane, and members of the committee,

I am an Oregonian who strongly opposes SB 1586 and any amendments that would expand the Hillsboro UGB. The Legislature made a commitment in 2014 to protect these acres until at least 2065, and this bill would shatter that promise.

I urge you to think of the long term consequences of this decision over the short term profits, and oppose this bill.
