Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

As a 66 year old portland born native I've never felt so much disappointment in my government. It seems liked rules and laws are just suggestions any more, depending on which side the political coin you fall on. If this goes through in May I will loose all respect for those special elected officials who think they're above the citizens of this once great state.
