Senate Committee On Judiciary

Measure, Appointment or Topic:

SJR203

I am urging the State legislature pass this Resolution (SJR 203) to disallow the wearing of masks by ICE and other law enforcement agencies under most circumstances. It seems too much like a gestapo outfit when ICE agents, in particular, wearing masks and no visible identification, are rounding up and detaining citizens from the streets of Oregon. This is NOT the way law enforcement personnel should be allowed to operate in our state.
