Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SJR201

SJR 201 is an attempt to take part of Oregon's excess revenue away from taxpayers instead of giving it back to them in the form of the Kicker. I strongly oppose this attempt because this is how things began when we voted to allow the State of Oregon to have the Oregon Lottery. We the People voted to allow the revenue from the state lottery to go toward education. Since then, Lottery revenue has been divided up between education and many other things, making a smaller pool of money for education. I know that this will happen to our Kicker refunds as well. It will start out small and, over time, will get bigger and bigger, until there's no more Kicker. I strongly urge you to vote NO
