SB1599

The governor is always trying to pull something over. As a lifetime citizen of Oregon I am so tired of games this administration plays. The vote needs to happen in November and I believe that is what the signers of the petition thought would happen. Just because Kotek wants to change it to May doesn't mean that it is what the voters want and it seems like the spirit of the voters planned for November.

Thank you for your thoughts and consideration.
