On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

To the members of the Senate Committee on Finance and Revenue:

As an Oregonian who is incredibly concerned about the future of our state's farmlands, wildlife, and water, I urge you to oppose SB 1586. I am extremely opposed to the idea of major tech corporations being granted additional tax exemptions in our communities. Additionally, I feel strongly that the environmental harm wrought by increased industrial and data center expansion in Washington County outweighs the limited and delayed economic benefits of this expansion.

Thank you for your consideration,
Sophie Smith
