

Submitter:

Toni Webb

On Behalf Of:

Committee:

Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or

SB5701

Topic:

TO: Joint Committee on Capital Construction

Grants Pass has one of the highest unemployment rates in Oregon. Improvements at the Spaulding Business Park would be a big boost to our ability to attract new businesses and allow current businesses to expand. Grants Pass has many job-ready people ready to be assets to the employers and future employers. Please vote YES for this Oregon investment in rural infrastructure!

Thank you,

Toni Webb, native of Grants Pass & business owner
