I support Oregon law, which requires that the Referendum Petition 2026-302 be included on the November ballot. Any attempt to move this issue to the May 19, 2026 election ballot can only be viewed as an attempt to stifle Oregon voter voices. I strongly urge you to adhere to established Oregon law and keep the Referendum Petition 2026-302 issue on the November election ballot. The voices of Oregon voters will not be manipulated into silence through biased political chicanery. Oregonians are watching. Do the right and legal thing. Keep this referendum issue on the November ballot.
