Measure, Appointment or Topic: SJR203

I strongly oppose SJR203. Our law enforcement officers need to be able to protect themselves from those that seek to do them harm while they are just carrying out their duties. There are groups like Antifa that work to hurt officers and their families just because they don't like the laws the officers are enforcing. This measure also could compromise officers working undercover or in other situations. If more accountability is desired, this bill is not the way to accomplish this. Please vote NO on SJR203.
