

Submitter:

Timothy DeLisle

On Behalf Of:

Committee:

Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or

SB5701

Topic:

I am in support for the full funding of the replacement of Grants Pass Fire Rescue Hillcrest Station (Station 70). This is a vital Public Safety project that is critical for response readiness and the safety of fire service personnel. This important public safety project will ensure reliable emergency response for our community. Thank you!
