House Committee On Rules

Measure, Appointment or Topic:

HB4018

Please oppose this Bill as amended. In my opinion, the initial intent of the precursor bill in 2024 is not what this implementation process does. Take the time to get back to something simple and easy for all Oregonians to understand. Eighty five pages in an amendment document is not helpful. Create a process and communicate it before the session because citizens expect to know what and how this type of important Bill will work for them.
