Capital Construction
Measure, Appointment or Topic: SB5701

The North County Food Bank supplies families, many with children, in our area with nutritious foods every week. I have volunteered with the FB for about 8 years and I have seen our client roster triple in that time. We need a new facility to continue feeding our neighbors. The old facility was dilapidated and will be torn down. Our current rental arrangement ends in the summer. A new facility is needed now. It would certainly benefit our entire area.
