

Submitter: Larry Weymouth

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

Honorable Committee Members:

I am a lifelong Oregonian and retired professional planner who is urging you to oppose SB 1586 and any amendments that would again expand the Hillsboro UGB. This bill would undermine the statewide land use planning program, threaten the agricultural economy in Washington County, and fail to account for industrial land available within urban growth boundaries across the state. In 2014 the legislature made a commitment that these 1,700 acres of rural reserves would be protected until at least 2065. Stay the course!

Sincerely,
Larry Weymouth
