Members of the House Committee on Judiciary,  
Thank you for this opportunity to testify in support of HB 4001.  
ICE and Border patrol are out of control throughout the entire country. People are being brutally dehumanized and their rights denied. This needs to change. I support any new law that might reign ICE and Border Patrol in and have them held accountable.  
I support HB 4001 passionately. Please pass it into law.

Thank you,  
Deborah Gibson
