Capital Construction

Measure, Appointment or SB5701  
Topic:

I'm writing in SUPPORT for the North County Food Bank's building a new distribution facility behind the Hope Chest Thrift Shop on Hwy 101 between Nehalem and Manzanita. The NCFB had to move because their old building in Wheeler is being demolished. Their current plan is to build a very modest building with room for expansion.

The site is safely off the highway with ample parking.

Incredibly, our NCFB has been helping to feed Tillamook County residents for 33 YEARS!

Please support this project.
