On Behalf Of:  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4001

Thank you this opportunity to provide testimony. I support HB 4001 because it is a thoughtful and strategic response to the scandal of unlawful immigration enforcement which is currently plaguing the country. It is important that states provide protection of civil liberties in the face of this scandalous behavior by the Trump administration. Studying and making recommendations on strong legislation is a very smart move. Please support HB 4001.

Sincerely,  
Hillary Kittleson
