

Submitter: Adam LeClair
On Behalf Of:
Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or SB1599
Topic:

Our legislators seek to disenfranchise their constituents knowing special elections in the spring have much lower turnouts than general elections in the fall. The people of the State of Oregon deserve to have more voices heard in the November general election. This is a clever way of sweeping this issue under the rug and the majority party washing their hands of their responsibility to work for the best interests of the people. Oregon Democrats are shameless and have dragged this state through the mud.
