

Submitter: Laurel Hines  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

I don't believe the governor should be able to override the Oregon Land Use system. The normal Land Use planning should be used to decide on expansion of Urban Growth boundaries, not the desire for some business to come to Oregon and use up farmland for something that could affect farmland, water supplies, and energy usage to a great degree.
