

Submitter: Gary Seelig
On Behalf Of: North County Food Bank
Committee: Joint Committee On Ways and Means Subcommittee On Capital Construction
Measure, Appointment or SB5701
Topic:

Please help support the construction of North County Food Bank. I am not a user of the food bank, though I've been a long term supporter and more recently a larger financial supporter. Our Food Bank has always filled a need here in North Tillamook County and in the last few years the needs have increased.
Please support our community project.
