

Submitter: Sandra Sikorski  
On Behalf Of: HB 1586  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

I am in favor of HB 1586. I am in favor of an environment that will provide much needed long term, high paying jobs for the families of Oregon. I am in favor of planned common sense land use. The proposed land in this bill was always intended for use in the UGB and with its proximity to previous growth it is no longer a farm nor does it have any future for a long term, prosperous farming operation to exist. Please know that the majority of Oregonians are in favor of this bill and we ask that you stand against the very loud minority on this much needed boost to the Oregon economy.
