Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

These 2 goals: preserving our land and providing more housing do not necessarily cancel each other out if we're creative and fill in the holes (empty buildings, empty lots etc.) where infrastructure already exists. I am opposed to SB 1586 because it's another short sighted attempt to dismantle what makes Oregon so unique. Let's all be visionaries and take the time to carve a different course. Thank you, John and Kelsey Grout
