On Behalf Of:
Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

This is admittedly my second time submitting testimony.

Here's an article for reference regarding the 2/12/2026 outcome of the committee meeting:

This is a reminder to all Oregon elected officials: You are elected to represent the people of Oregon. The people of Oregon have spoken loudly - twice - (one petition to put this on the ballot for November and a significant amount of testimony against SB1599) that the people want this referendum vote in November. Passing this bill is working against the wishes of those you represent.
