Joint Subcommittee on Capital Construction  
Joint Ways and Means  
900 Court Street NE  
Salem, OR 97301

Dear Co-Chair Girod, Co-Chair Nosse and members of the Committee,

The Oregon International Port of Coos Bay supports Section 2 of Senate Bill 5701. Section 2 represents a straightforward technical adjustment to funding that has already been approved and committed to the Port by prior legislative action. This minor bonding designation change has been coordinated with and agreed to by both the State and the Port.

We respectfully ask for the Legislature's support of SB 5701.

Sincerely,

A handwritten signature in black ink that reads "Lanelle Comstock".

Lanelle Comstock  
Chief Executive Officer
