Measure, Appointment or Topic: SB1586

I strongly support Oregon's SB 1586 because I believe it will have meaningful benefits for our state, our local economy, and most importantly, families like mine

Policies that promote economic stability directly affect my family's financial security, future opportunities, and overall quality of life. I want to see Oregon remain a place where families can thrive, where children grow up with opportunity.

For these reasons, I believe SB 1586 is a positive step forward for Oregon and respectfully urge its support.
