Measure, Appointment or Topic: HB4105

I am firmly opposed to HB4105. This unnecessary bill seeks to undermine ODF's Western State Forests Habitat Conservation Plan and Climate Change and Carbon Plan and to limit the flexibility of the State Forester and ODF. ODF already produces an annual Stand Level Inventory and creates sustainable harvest plans for each state forest district in the form of 10-year Implementation Plans. HB4105 seeks to elevate timber revenue above all other state forest values. Let's respect all of the values in Greatest Permanent Value. Please vote no on HB4105.
