Measure, Appointment or Topic: HB4001

Thank you for the opportunity to provide testimony in favor of HB4001.

I have been working with immigrants on their way to appointments with ICE at the Eugene field office. I have witnessed first hand the unnecessary enforcement behavior of Homeland Security personnel. Since we are a sanctuary state, we must act in every way we can to rein in their unlawful actions. Tear gas and pepper balls have been employed on peaceful protesters at a Memorial for Alex Pretti, the nurse killed in Minnesota. Oregon is already being targeted! The sooner we set up legal guardrails to their actions, the safer our communities will be.

This study could inform lawmakers regarding future necessary legislation to protect our civil rights and potentially our lives!

Please vote in favor of HB4001.

Sincerely,

Janice Zagorin
