Government

Measure, Appointment or Topic: SB1514

Chair Meek and Members of the Committee,

My name is Mary McMurray, and I am writing in opposition to SB 1514.

Repealing protection for people experiencing houselessness will increase instability in our communities.

There is substantial evidence that housing-first programs, giving citizens a way to ascend from the street to a safe shelter, is THE MOST EFFECTIVE and long-term solution. Not punishment and displacement.

Thank you for your concern for our society,
Mary
