Topic:

Dear Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

I support Consejo Latino in their work to purchase Casa Mariposa because I see the work they do day to day to protect and support the Spanish-speaking community and others in our area. As an organization they fight against all manifestations of inequality, discrimination, hate, and marginalization. They assist all people equally by providing a safe space, and service that is kind, inclusive, and free of prejudice.

Our community needs the services Casa Mariposa provides, and I ask you to support their purchase of the facility.

Thank you,  
Mari Bergeron
