I OPPOSE [HB 4105].

I am not impressed one iota with the management of Oregon Forests.

I do not see any replanting of trees on the burned Mountain area between Hillsboro and Yamhill Counties.

The position of 'Forester' in Oregon is a Governor appointee who should have come from the experienced ranks of the Forest Department.

Whereas I fully support the harvesting of timber, I do not see much in the way of wildfire prevention, tree plantings and water conservation.
