On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or  
Topic: HB4105

I oppose HB 4105 and urge the committee to vote no. Instead of more clear cutting Oregon has committed to sound sustainable forest management for wildlife protection & recovery, habitat restoration, water quality protection, recreation, carbon sequestration and responsible timber harvesting. This bill would destroy what makes Oregon special, life sustaining for residents, wildlife and attractive to visitors. Please vote NO. Thank you for all the work you do for all Oregonians.
