

Senator Girod and Representative Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

The CMH Foundation works alongside many non-profits in the community, including Consejo Hispano. It's all hands-on deck when it comes to providing services to our community, and that's why Casa Mariposa could be an exciting addition to our county.

I appreciate your consideration and support of their request,
