Measure, Appointment or SB5701  
Topic:

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

I see so many families in need in our community. It isn't a good time to be an underemployed family on the N. Oregon Coast. I'm seeing people who normally have been able to get by find that it is no longer the case. Casa Mariposa would be a non-threatening and welcomed permanent place for support.

Please help,
