Capital Construction
Measure, Appointment or Topic: SB5701

Senator Girod and Rep. Nosse and members of the Capital Construction Joint Committee,

I am writing to express my support of Casa Mariposa and request the Capital Construction Subcommittee help the community in Astoria purchase and repurpose an old church, which would help stabilize the service provided by Consejo Hispano here on the North Coast.

Consejo Hispano works to strengthen families to move out of poverty, encouraging them to be agents of change in the community. Helping them purchase this facility will allow them to continue their mission of building connections between us all, weaving a more cohesive, resilient community.

Thank you,
Cheryl Conway
