Capital Construction Co-Chairs Girod and Nosse,

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano has been an active partner in service to not only the Latinx community, but the wider North Coast community for twenty years. We appreciate their partnership with us in serving our community and would encourage the Oregon Legislature to recognize their service and contributions to the wellbeing of Oregon by helping them purchase a permanent home to provide their services.

Thank you,
