

Submitter: Emily McLongstreet

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction

Measure, Appointment or SB5701  
Topic:

I am writing to express my support of Casa Mariposa. This request to the subcommittee will help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano is a vital organization promoting economic empowerment, community self-determination, and cultural appreciation. Now more than ever it is crucial that we continue to assure them access to resources and foundational support. Casa Mariposa will serve as a safe space for youth, fostering education without institutional roadblocks and create a tangible and lasting impact on the lives of our Latinx neighbors here on the North Coast.

Thank you for your time,  
Emily McLongstreet
