Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB5701
Topic:

I am writing to express my support of Casa Mariposa, a request to the sub-committee to help the community in Astoria purchase and repurpose an old church, which would help stabilize the service community on the North Coast.

Consejo Hispano has been a vital organization for our community for decades. As you know the community they are directly representing is needing more support now than ever. Having their own permanent building allows them to focus on necessary tasks without fear of future displacement.
